PROFILE

Event coordination professional with 1.5+ years delivering premium cultural experiences for international audiences. My work sits at the intersection of meticulous logistics and genuine atmosphere — the kind of events people remember.

From exclusive member galas at Kunsthalle Darmstadt to supporting the production of Han Zaifen's Huangmei Opera ensemble at the Konfuzius-Institut Frankfurt — 30+ artists, a National Cultural Heritage performance, a German audience — I bring calm precision to high-pressure, intercultural environments.

Bilingual in German and English, with experience across the UK and USA. Born and raised in Darmstadt, now based in Geisenheim, Rheingau. Open to opportunities across Germany and Europe.

> *"He demonstrated teamwork, flexibility and resilience to the highest degree — with a high service orientation and professional conduct in every guest interaction."*
> Dr. León Krempel · Director, Kunsthalle Darmstadt · Sept. 2025
